

# OSCB Learning Event: Learning from Case Reviews in Oxfordshire

**Date:** Thursday 19<sup>th</sup> October 2017

**Time:** 09:00 – 12:45 (Registration from 9am)

**Venue:** The Kings Centre, Osney Mead, Oxford, OX2 0ES

The event will focus on the **10 learning points** from Oxfordshire's most recent case reviews. These include:

The impact of the parents' mental health problems on the safety and wellbeing on children

Identifying the increased safeguarding risks for children with learning disabilities and Special Education Needs.

Understanding the substance misuse and interventions, the changing levels of risk, and the impact on the child

The role of the fathers in the family system together with communication with and involvement of fathers and male carers.

The event will explain **how and why** we do case reviews and talk you through 3 recent pieces of **review work**

Story of Child Q

Story of Child C

Story of Child A and Child B

If you would like to book onto the learning event you will need to book a place via the OSCB's new online training system:
