Are you struggling with rising living costs due to fuel bills?

Get practical advice on saving
energy, accessing grants, and
getting financial support.

Better Housing Better Health is a free service, supported by Oxfordshire County Council, that provides a single point of contact for expert advice to improve the energy efficiency of your home, reduce energy consumption, manage energy bills, and give you better home comfort.

Some Oxfordshire residents can also benefit from an additional free home visit, where a specially trained advisor offers impartial advice to ensure more suitable housing conditions and reduce housing-related health issues.
